

MEMORANDUM FOR: Chief, Policy and Plans Group

STAT The Director of Security advised that he had  
discussed the attached with [redacted],  
who urged that CIA formally concur, but provide  
some appropriate language which could be used to  
provide the flexibility that we want. In effect,  
STAT [redacted] to review the document,  
focusing on paragraph 5, so that changes can be made  
that would make the paper acceptable to us.

STAT [redacted]  
DD/P&M 3/3/83  
STAT PS As I recall, [redacted] felt that the SIO's  
could be given the power/authority to handle  
waivers where this is clearly appropriate, as in  
the case of experienced travelers. This would  
provide us with the flexibility we need. He thought  
the change would be put in para 5 but deferred to the  
judgement of [redacted]. Date
